

25th ANNUAL ENVIRONMENTAL SUMMIT

SPONSORSHIP OPPORTUNITIES

TUESDAY, JANUARY 7TH, 2025

9:30 AM - 3:30PM

THE BUSHNELL, HARTFORD CT

Join Us as a Sponsor of Connecticut's 25th Annual Environmental Summit!

This year marks a milestone for the CTLCV Education Fund as we celebrate the 25th Anniversary of the Environmental Summit. Recognized as Connecticut's *premier* environmental event, the Summit has grown to become a vital platform for advancing progress on critical environmental issues. Your support as a sponsor will play a key role in ensuring its continued success.

Why Sponsor the Environmental Summit?

The Summit offers a one-of-a-kind opportunity to engage directly with Connecticut's top environmental advocates, policymakers, and decision-makers. It is the ultimate forum for connecting with:

- State legislators and municipal leaders.
- Administration officials and nonprofit organizations.
- Environmental experts, green businesses, and community leaders.

Through dynamic panel discussions and thought-provoking presentations from renowned speakers, the Summit tackles urgent topics including clean energy, recycling, pesticides, transportation, environmental justice, and climate change.

A Special Celebration at The Bushnell Performing Arts Center

In honor of our 25th anniversary, this year's Summit will take place at the iconic Bushnell Performing Arts Center in Hartford—a fitting venue to reflect the importance of our mission. We are offering both in-person and virtual attendance, expanding our reach and impact like never before.

Make a Meaningful Impact

As a sponsor, you will demonstrate your commitment to environmental leadership and connect with a diverse and influential audience passionate about creating a more sustainable future for Connecticut. Your partnership will be prominently recognized throughout the event, highlighting your dedication to addressing some of today's most pressing environmental challenges.

Join Us Today!

Be part of this landmark event and show your support for Connecticut's environment and future. Together, we can continue driving meaningful change and celebrating 25 years of environmental progress.
